FIFTY-SEVENTH REPORT

OF THE

STATE FIRE MARSHAL

OF THE

STATE OF NORTH DAKOTA

THE LIBRARY OF THE
JUL 26 1978
UNIVERSITY OF ILLINOIS
AT URBANA-CHAMPAIGN

FOR THE PERIOD

July 1, 1975 to June 30, 1977

LETTER OF TRANSMITTAL

To the Honorable Arthur Link
Governor of North Dakota
Bismarck, North Dakota

Sir:

In compliance with the laws of this state, I herewith submit the Fifty-Seventh Report of the State Fire Marshal's Office, covering the period beginning July 1, 1975, and ending June 30, 1977.

Respectfully submitted,

Vance Arneson

Vance Arneson
State Fire Marshal

Bismarck, North Dakota
September 1, 1977

FOREWORD

This is the fifty-seventh report of the State Fire Marshal's Office of the State of North Dakota, and is a biennial report as required by North Dakota Century Code 54-06-04.

Our biennial report shows 51 deaths during the biennium. The number of deaths during this biennium is up as is the number of fires and dollar loss. This happens when we have a dry year like we had in 1976 and 1977 and a very cold winter.

All inspections required by statute for hospitals, nursing homes, boarding care homes, foster and child care homes, have been made on an annual basis. We have reviewed 159 plans and specifications for hospitals, nursing homes, and like institutions. We have again signed a contract to enforce NFPA No. 101, Life Safety Code, to inspect nursing homes, hospitals, and related institutions under these standards and the Federal Government is paying their share of these costs.

There is a continued increase nationwide in fraud fires and North Dakota has experienced a large number of vandalism type fires among juveniles in vacant buildings, hay and straw stack fires, and in schools. Many juveniles have been apprehended and prosecuted.

Since our last report we have issued 21 fireworks licenses and turned over $5,150.00 to the State General Fund. A tightening of Federal Fireworks Laws has reduced the market for fireworks nationwide and a further Federal ban on the powder contents of fireworks has reduced the number of fires and injuries. We expect a further ban on some of the legal fireworks, such as sparklers, which will also reduce the number of fires and injuries.

The personnel of the Fire Marshal's Office are continuing going to schools and teaching classes on fire investigation and fire prevention.

I would like to thank the Attorney General and the Governor for granting us permission to travel and study in the continuing program of education.

One of the needs of this department is for a larger appropriation so we may have additional man power and purchase fire prevention material to be distributed to the fire departments. Many of our smaller departments are having financial difficulty and trouble maintaining 15 firemen on their roster as required. Small departments are forming fire districts, this requires an additional work load on the Fire Marshal's Office. At present we have 162 fire districts and more are contemplating converting to fire districts, which are on a tax base.

At this time we would like to thank all of the firemen and organizations for their active cooperation with the Fire Marshal's Office during the past biennium and especially the North Dakota Fire Chief's Association who are continuing their scholarship program. The North Dakota State Laboratory has in the past done excellent lab analysis for us for which we are grateful.

OFFICE OF THE

STATE FIRE MARSHAL

OF NORTH DAKOTA

TOTAL SALARIES
July 1, 1975 to June 30, 1977

Vance Arneson	$ 35,783.51
